## **U. S. SUPREME COURT REPORTS**

**EXTRA ANNOTATED**

**Largest value in editorial additions ever offered in  
connection with any set of State or Federal Reports.**

---

**T**HE "Co-op" edition (Law ed.) of the U. S. Supreme Court Reports has long been recognized by the courts and generally, *as a complete, correct, annotated edition of these reports*, and the superior of any in usefulness.

Over 12,000 pages of new editorial matter have now been added to the new edition of these reports, giving, in connection with the cases, their complete history as authority upon every point separately in *every* court in the United States, as contained in Rose's Notes on the U. S. Reports.

By thus thoroughly popularizing these Supreme Court decisions, by tracing their doctrines, as applied during the last 100 years in all the courts, the value of this set is more than doubled and it is made more thoroughly adaptable to your every day needs, as further explanation in our circulars will show.
